HELPFUL NOTES

ABOUT THIS FORM

If you have downloaded this form from our website or received it by email you can type directly into it and save your answers.

You must not change any of the questions or alter any part of the form. If you do, we will not accept your application.

Please email us your completed form. (However, if you need to use a paper form, please write clearly in black ink or type. Do not use correction fluid, as your application will be returned.)

QUESTION 1

Give the full name as it appears on your governing document. Please check this. If the full legal name is incorrect, it may delay your application. Tell us your organisations main or registered address, including postcode. If you're successful, this is the address we'll send your offer letter to.

QUESTION 2

Please tick one box only. We explain what we mean by voluntary and community organisations on page 8 of our Community Awards (Thematic Funding) Programme Guidance Notes.

QUESTION 3

If you are a charity and company, please provide both numbers. Give us the date when your organisation adopted its current legal status. This should be in your governing document. If you're a school or statutory organisation, check with your administrative body. If you don't know the exact day or month, please give an approximate date. Give the total number of people currently on your governing body or board of directors.

Refer to 'Who can apply' in our Guide for applicants for further clarification. If you are a branch of another organisation that has management and financial control over you they may have some legal responsibility if we give you a grant.

QUESTION 4

If your organisation has a membership we expect this to be open to all and that anyone can join, unless you can provide a good reason why not. We will usually consider proposing and seconding to be unacceptable and we expect there to be the right of appeal for anyone refused membership.

It can be a personal email address if your organisation doesn't have an email address.

QUESTION 5

You must have a bank account on the Isle of Man that requires at least two people, who are unrelated and do not live at the same address, to sign each cheque or withdrawal.

QUESTION 6

The IOM Charities website will give useful information on accounting and reporting, www.gov.im/charities. If you're a registered charity we'll expect you to follow this guidance but if you are not, you may still find it helpful.

All applicants must provide income and expenditure figures. Give a projection for the first full year if your organisation has been running for less than 15 months. Schools should include the whole school budget.

QUESTION 7

This must be the person that submits the application. They should be someone from your organisation who can talk about your project and we can contact during office hours. They must be over eighteen years old. For schools, someone who is directly employed by the school must submit the application (for example, a teacher or administrator).

We need their date of birth and home address for our standard fraud prevention checks, so please check that the information provided is correct. You must provide a landline telephone number.

Examples of communication needs might be textphone, sign language, large print, screen reader, audiotape, Braille or a community language

QUESTION 8

By voluntary and community organisations we mean:

- registered and unregistered charities
- companies or unincorporated associations that are not-for profit
- co-operatives,
- friendly societies
- industrial and provident societies.

The senior contact must not be the same as the main contact in question 7.

They must be over eighteen years old. We need their date of birth and home address for our standard fraud prevention checks, so please check that the information provided is correct.

You must provide a landline telephone number. Tick one box only. We may not need to write to your senior contact but in case we do, tell us if they would prefer email or letters.

Examples of communication needs might be textphone, sign language, large print, screen reader, audiotape, Braille or a community language.

QUESTION 9

Give us a short title that we could use for publicity purposes. Try to make it unique to your project.

QUESTION 10

Describe your project. By 'project' we mean the event or activities you plan to carry out using our grant.

Be specific about what you will do, how you will do it and what you would spend the grant on.

There is more detailed information about what we will and will not fund on page 9 of the guide for applicants. Read this carefully to check that we can fund what you want to do.

QUESTION 12

Tell us the local authority area and postcode where the people who will benefit from your project are based.

If the people who will benefit are from a number of places, give the local authority area and postcode where the most people will benefit .

QUESTION 13A

List all of the individual items or activities that make up your project. Provide a breakdown for each item if necessary. For example, don't just put furniture, list the different items: 5 tables, 30 chairs, 5 desks.

Include everything you will need for the project, even if you are not asking us to fund it. Give the total cost of each item or activity in column A and put how much you want from us in column B.

If you want us to fund all your project costs then the figures in column A and column B will be the same.

You must not include any VAT that you can claim back. The total requested from Community Awards (Thematic Funding) must be between £2,501 and £25,000. Please check that you have added up the totals correctly.

QUESTION 13B

If you need to raise funds from other sources you must be able to show that you will be able to do this and it will not affect your project or cause a delay.

Let us know if you have already raised some funds or plan to use reserves or savings. If you have applied to other funders but have yet to hear from them tell us who they are and when you expect a decision. If you want us to fund all your project costs and are not contributing any funding from other sources put not applicable.

QUESTION 13C

Make sure the costs are accurate and based on quotations where possible.

QUESTION 14

We may need you to send further information about land ownership if we offer you a grant. If you need planning permission, you must have it before you apply. We may need you to send confirmation that planning permission is not required, or that it is required and has been granted.

QUESTION 15A

Tell us about the problems or issues your group aims to address.

QUESTION 15B

Examples of the types of evidence you might use are:

- Organising a meeting that anyone interested in your project can come to.
- Carrying out a survey of people who use your service or those who might use it.
- Keeping a waiting list of people who want to get involved in your activities or use your service.
- Finding out if there is a lack of your type of facility, service or activities in the local area and whether people would use it if it was available.
- Researching any statistics about the people who would benefit from your project.
- Finding out if your project supports any local or national strategies.
- Evaluating previous projects or seeking feedback on a pilot project.

A consultation can include community surveys, focus groups and public meetings; the findings should be less than two years old. If you can't consult with the people that you want to help, tell us why.

We also want to know how:

- your project has been influenced by what people have told you
- you know that the people you want to help will use your project.

QUESTION 16A

Explain what you will do to make sure that people from different backgrounds know about your project and how to benefit from it.

QUESTION 16B

If you have identified any groups who could benefit but are less likely to take part, explain why this is the case and what you will do to tackle it. If your project will involve the wider community tell us how. If you plan to restrict who can take part in your project you should explain why, so that we can consider if this is acceptable.

QUESTION 17

Your outcomes are the changes or differences that we want our funding to achieve. Tell us in this section the difference or change you intend your project to make. Think about the change or difference your project will have on the local community or target beneficiaries.

Don't just repeat the programme outcomes using different words. Think about how the change or difference your project is going to make reflects our outcomes.

QUESTION 18

It is your responsibility to have appropriate safeguarding policies and procedures in place, which we may ask to inspect at any time. We may seek further information from any bodies you are registered with, or inspected by.

QUESTION 19

Please answer a) to d). Depending on the type of project, you may need public liability insurance or qualified leaders.

Public liability insurance is required for any public events.

If your project involves a dangerous sport or activity, your organisation should be affiliated to a relevant governing body or you must be working with fully qualified leaders or instructors.

QUESTION 20

The list of ethnic backgrounds we use is taken from the 2011 Census.

Remember that everyone has an ethnic background. The category mixed ethnic background should only be selected if your project will mostly benefit people whose parents are of two or more ethnic backgrounds.

It should not be selected if your project will benefit people from a range of ethnic backgrounds.

QUESTION 23

The category 'disabled' people should be selected if your project will mostly benefit people with a physical, mental, learning, sensory or cognitive impairment.
